# Supporting Our Community

## Mouties Group and Good360 Deliver Hope with 800 Backpacks for Students in Need

Mouties Group and Good360 have joined forces to make a meaningful impact, packing and delivering 800 backpacks filled with essential school supplies to students across the Central Coast, Northern Beaches, South-West Sydney, and Wilcannia.

Each backpack is more than just pens, pencils, workbooks, and calculators, it's a symbol of opportunity and confidence, helping children start the 2026 school year prepared and empowered.

With one in four NSW schools now classified as high-concentration disadvantaged, initiatives like this are critical in ensuring students feel included, supported, and ready to succeed alongside their peers.

Mount Pritchard East Public School received 40

backpacks, and Assistant Principal Tina James expressed heartfelt gratitude:

"Acts like this support our families and help our students feel confident and ready to learn."

We are proud to stand behind these students, giving them the tools they need to learn and the hope for a brighter, more successful future. Together, we're building stronger communities, one backpack at a time.
